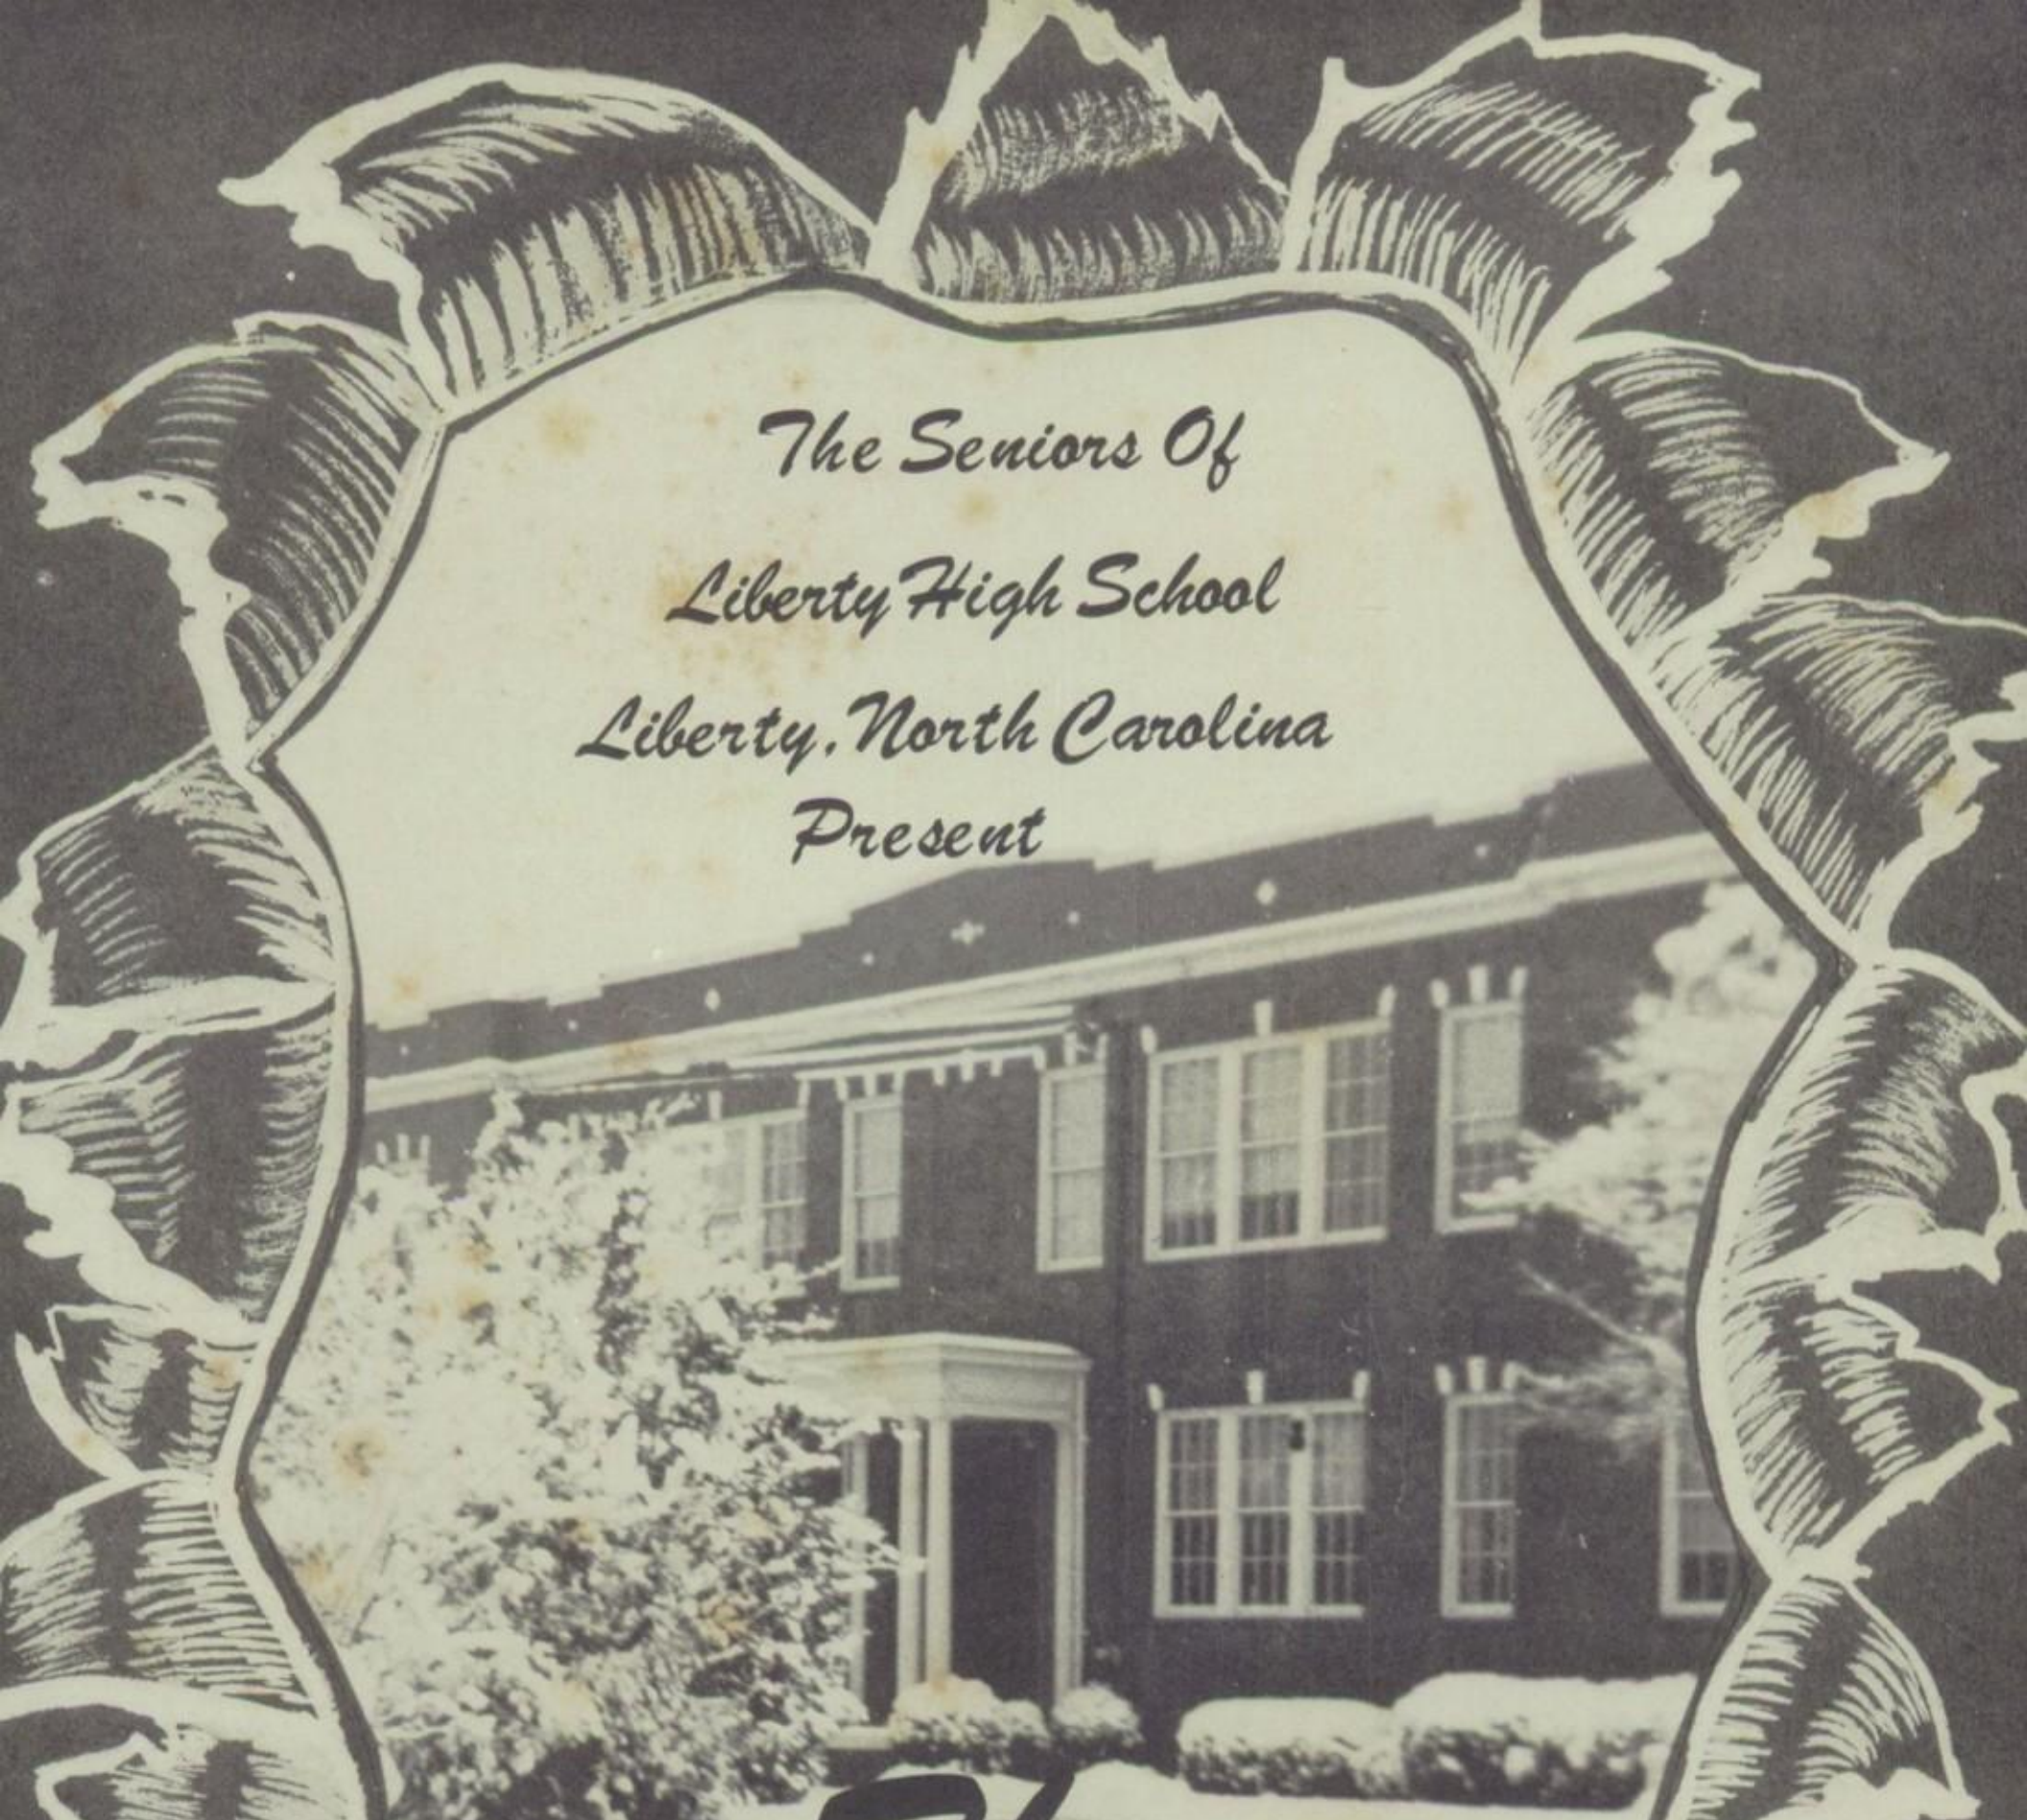
Liberty High School

Liberty, North Carolina

Present



The Scrapper 1956

FOREWORD

We hope that through the pages of this volume of the "Scrapper," we can portray to others and can keep for ourselves some of the memories represented here.

We present it, not as a great literary work, but simply as a picture of our Senior year at L. H. S.

It is our wish that the joy received in later years from this book will repay us for our efforts toward making it a success.

DEDICATION

OUR SENIOR GRADEPARENTS

LEFT TO RIGHT: Mr. and Mrs. Jack Patterson, Mr. Dwight Gregson, and Mrs. W. K. Coward.

We, the class of 1956, dedicate this edition of the "Scrapper" to all grade-parents — the people whose unselfishness and interest have won the hearts of the students of this school.

We give special recognition to those who have willingly devoted their time and energy to serving our own class from our grammar grade years to this, our final year.

We know that they have contributed in a great measure to the betterment of ourselves and our school, and to them we gratefully dedicate this book.

QUALITY VS. PRICE

Don't try to buy a thing too cheap
From those with things to sell.
Because the goods you'll have to keep.
And time will always tell.

The price you paid you'll soon forget.
And the goods you get will stay:
The price you will not long regret-
The quality you may.
